will be considered by the Maidenhead
Development Control Panel

**7 pm Wed Mar 16
Council Chamber**

Town Hall, St Ives Rd, Maidenhead

The Planning Officer has recommended REFUSAL but this does not mean that Councillors on the Panel will agree. It is vital that significant numbers of local residents attend to show your support for Refusal.

The chamber will inevitably be crowded so it would be wise to arrive at least half an hour or more early. If transport is a problem please contact us via the web site or enquiries@ogafcap.co.uk or 01628 784441
